

Equação de Burgers 2D: superfície $u(x, y, t)$ predita pela PINN — dissipação do dipolo gaussiano ($\nu = 0,01$)

$t = 0,0$

3D Surface of $u(x, y)$ at $t=0$

$t = 0,5$

3D Surface of $u(x, y)$ at $t=0.5$
